25X1 17. [] Talked with both Senator Gore and his Administrative Assistant, Mr. William Allen, regarding a broadcast referring to a statement by the Senator at yesterday's Senate Foreign Relations hearing. No one from the Administration had communicated with the Senator or his office. However, Allen had heard on a radio news broadcast reference to the Senator's statement and the fact that the Administration had issued a denial without naming any specific source. The Senator indicated that he thought his statement was generally consistent with Secretary McNamara's statement included in his posture statement released on 26 January.
